Work Experience

○ Product Designer | *Mobile World Investment Corporation (MWG)*

2023 – 2026

Designed end-to-end product experiences for MWG Shop, focusing on core e-commerce journeys across Dien May Xanh, The Gioi Di Dong, TopZone, and companion mobile applications. Worked closely with Product Managers, Business Analysts, Engineers, and stakeholders to deliver user-centered solutions that aligned business goals with customer needs.

Highlights

- Designed end-to-end experiences for web and mobile products, from user flows and wireframes to high-fidelity interfaces and developer handoff.
- Led the design of core shopping experiences, including Homepage, Flash Sale, Voucher, Private Offers, Checkout, and Order Summary.
- Conducted user research, usability testing, and design validation to support product decisions.
- Collaborated on Design System improvements and reusable UI components to ensure consistency across the ecosystem.

- Lottie
- Claude, Chat GPT, Gemini, Anti Gravity

Languages

- Vietnamese (Native)
- English (Professional Working)

- Continuously optimized user journeys based on business requirements, user feedback, and product strategy.

◦ **Senior Graphic Designer** | *Mobile World Investment Corporation (MWG)*

2019 – 2023

Led the visual design of large-scale e-commerce campaigns while expanding into digital product initiatives, bridging brand communication and user experience across web and mobile platforms.

Highlights

- Designed landing pages, microsites, and digital campaign experiences for major e-commerce initiatives.
- Developed key visuals and visual systems for promotional campaigns and seasonal sales events.
- Collaborated with Marketing, Product Managers, and Engineering teams to deliver consistent digital experiences.
- Established reusable design guidelines and visual standards across digital touchpoints.
- Improved user experience by refining visual hierarchy, content presentation, and interface consistency across e-commerce platforms.

◦ **Graphic Designer & UI Designer** | *Cao Phong Co., Ltd*

2015 – 2017

Expanded from graphic design into digital product design by contributing to website redesigns and mobile application projects while continuing to support brand communication and marketing initiatives.

Highlights

- Redesigned the company's website with a focus on usability, information architecture, and visual hierarchy.
- Designed user interfaces for food review, location-based, and financial applications.

- Created user flows, wireframes, mockups, and high-fidelity UI for new product features.
- Worked closely with developers to ensure accurate implementation across web and mobile platforms.
- Maintained visual consistency across digital products and brand identity.
- Contributed to UI guidelines and reusable interface components.

○ **Graphic Designer** | *Cao Phong Co., Ltd* 2011 – 2015

Created visual communication materials and brand assets for a wide range of business sectors, supporting marketing campaigns and corporate branding initiatives.

Highlights

- Designed banners, brochures, catalogs, POSM materials, and other marketing collateral.
- Developed visual assets for advertising campaigns and brand communication.
- Collaborated with Sales and Marketing teams to create product presentation materials.
- Prepared print-ready artwork and coordinated with print vendors to ensure production quality.

○ **Web Designer (Outsourcing Projects)** | *TQ Design*

2010 – 2011

Designed corporate websites for clients across multiple industries, translating business requirements into intuitive web experiences while collaborating closely with developers throughout implementation.

Highlights

- Designed responsive website layouts and corporate websites for outsourcing clients.
- Planned page structures, navigation, and content hierarchy to improve usability.
- Produced UI mockups and design specifications for development.
- Worked closely with developers to ensure design quality during implementation.

- Revised and refined designs based on client feedback and project requirements.

- **Graphic Designer** | *Natural Rendez-Vous Co., Ltd*

2007 – 2010

Designed marketing collateral and print materials while collaborating with print vendors to ensure high-quality production and consistent brand communication.

Highlights

- Designed catalogs, brochures, banners, packaging, and marketing collateral.
- Prepared print-ready artwork and managed prepress files before production.
- Coordinated with print vendors to ensure color accuracy and production quality.
- Supported brand communication through consistent visual design across marketing materials.

Education

- **Diploma in Multimedia Design** | *FPT Arena*

Multimedia

2006-2007

Built a strong foundation in visual communication, branding, print design, and digital media through hands-on projects. Trained in Adobe Photoshop, Illustrator, InDesign, CorelDRAW, Adobe Flash, and Motion Graphics, with practical experience in branding, web, and interactive design.

- Completed hands-on projects across branding, print, web, and interactive media.
